

FLORAL BORDER STRIPE FABRIC BISCUIT

SGFABFBSBI
$222.00

Following the success of our Floral Trail and Zig Zag Stripe fabric collections, Mary and Nicole decided to create a fabric design that married the two, and could be used very creatively in many ways. Taking inspiration from an archive textile design originally hand painted in France c1810-1820 for a fashion textile, this design lends itself to be use both vertically and horizontally, or with different sections of the print to be hidden or revealed to create borders, pelmets and soft furnishings and more.

Reimagining a historic pattern into a timeless print encapsulates the Salvesen Graham Future Heritage aesthetic. This timeless patten has been designed to compliment all pieces in Salvesen Graham The Collection, allowing the individual to create a unique home with ease. Printed in England on soft and relaxed linen cotton, our fabric is the perfect backdrop to a playful, quintessentially British interior.
