THE COLLECTION

AVENUE CANDLE HOLDER MIDNIGHT

SGACC02
$125.00

Our Avenue Candle Holders are designed to complement all pieces in The Collection by Salvesen Graham; taking inspiration from historical architecture and interiors. Mary and Nicole designed our candle holders to be displayed as a pair; a complementary finish to a mantle, dining table or console.

Featuring a heritage shape, our Avenue Candle Holders reference British Georgian facades whilst a high gloss finish and carefully curated collection of jewel colours lends a playful twist.

Handcrafted by artisans, each candle holder is hand made from mahogany wood with a brass cup. This timeless design would look at home in both classical and contemporary interiors, designed with the Salvesen Graham sensitivity to the past and present to create a relevant addition to your interior, both now and in years to come.
