

AVENUE SIDE TABLE RUBY

SGAVST04
$723.00

Our Avenue Side Tables are designed to complement all pieces in The Collection by Salvesen Graham; taking inspiration from historical architecture and interiors. Mary and Nicole designed our side tables to add that necessary pop of colour to any room in the home, be it a traditional or contemporary space.

Featuring a heritage shape, our Avenue Side Tables reference British Georgian facades whilst the high gloss finish and carefully curated collection of jewel colours lends a playful twist. The high gloss is perfect for mixing with antique furniture within a room.

Handcrafted by artisans each table is handmade from mahogany wood. This timeless design would look at home in both classical and contemporary interiors, designed with the Salvesen Graham sensitivity to the past and present to create a relevant addition to your interior, both now and in years to come.
