$348.00

Beatrice in Ivory is crafted from 100 percent linen and finished with a full glaze chintz treatment, giving the fabric a beautifully polished surface and elegant sheen. The block printed effect lends a truly bespoke, artisan quality, with subtle variation that enhances its handcrafted character. The glazing process creates a smooth, luminous finish that catches the light gently, elevating the natural texture of the linen beneath. In Ivory, the palette feels timeless and refined, offering a light and sophisticated option for curtains, upholstery and decorative accents.
