

FLORAL TRAIL CANDLE SHADE ORIGINAL

SGCSHDFTO

\$70.00

Our delightful candle shades feature our Floral Trail Wallpaper design, which takes inspiration from an archive textile design originally hand painted in France c1810-1820 for a fashion textile.

Made by hand in England, our Candle Shades are complete with a solid brass shade carrier, which sits on a straight dinner candle. The PVC lining is flame resistant, allowing you to use your shades decoratively, or lit for a fabulous conversation starter at the dinner table or adorning your mantelpiece. Mary and Nicole love to use their candle shades with our Cane and Avenue Candle Holders, combining different colours and designs gives endless possibilities to create playful and personalised combinations, they would also make the perfect gift for someone special.
