THE COLLECTION

CANE LAMP MIDNIGHT

SGCALMPMI
From $785.00

Our Cane Lamps are inspired by the popularity of vintage bamboo furniture from 19th Century. The high gloss hand painted finish lends a contemporary update on this historically influenced design. Mary and Nicole designed the lamps to work wonderfully as a pair, or as a single lamp on a chest or side table.

Created in the English countryside from sustainably sourced solid beech wood that has been hand finished by experienced craftspeople, our lamp collection has been carefully designed with a sensitivity to traditional architectural references married with the Salvesen Graham flair for colour and playful design. Complete with a brass stem and natural brown twist cotton flex, our lamps look equally at home in both town and country.
