

GUSSIE FABRIC - DAMSON

SGFABGUDA
$310.00

Gussie in Damson features a mid scale paisley design set against a soft ivory ground, with a considered mix of plums, pinks and greens bringing richness and depth to the motif. Delicate dotted detailing creates a beautiful layering effect that subtly draws the eye inward. Printed on 100 percent hemp, the fabric has a natural texture and relaxed yet durable handle that enhances the character of the design. The colour balance is highly intentional, allowing the pattern to feel harmonious and grounded across upholstery, curtains and soft furnishings.
