$312.00

Your go to lampshade, our Little Check Shade makes itself at home in any interior, and any architectural styled home.

Handmade in London with top and bottom rolled edges, a white interior and empire shape, our Little Check Shades are the perfect partner for our Column and Bamboo table lamp bases. Our shades are crafted from our Little Check linen fabric that is woven in Belgium and printed in England, the soft and slubby nature lends a relaxed and tactile finish to your home. Mary and Nicole designed the shades to be an endlessly versatile table lamps size suitable for most living room and bedroom lamp bases.

The check is a wonderfully versatile pattern that is at home in an English country house as it is a coastal cottage or town house. With a rich history and timeless appeal our Check encapsulates the Salvesen Graham Future Heritage aesthetic. This timeless patten has been included to complement all pieces in Salvesen Graham The Collection, allowing the individual to create a unique home with ease.
