COLUMN LAMP NAVY BLUE

Our Column Lamps are a classical collection with a contemporary flair, taking inspiration from British heritage and Interiors. Mary and Nicole designed the lamps to be displayed as a pair, perfect for bedrooms, twin side tables and consoles.

Crafted from high gloss lacquer by artisans, our lamp collection has been carefully designed with a sensitivity to traditional architectural references married with the Salvesen Graham flair for colour and playful design. Complete with solid brass detailing and a silk flex, our lamps look equally at home in both town and country.
