

FLORAL TRAIL CANDLE BOUQUET ORIGINAL

SGCBQTFTO
$70.00

Having always been searching for the perfect candles, Mary and Nicole collaborated with British candle Artisans Wax Atelier to create exclusive Candle Bouquets that capture the joyful personalities of each of our Floral Trail designs.

Handmade by artisans in London using traditional techniques, our candles are hand dipped using beeswax with a natural cotton wick. Each bouquet includes two tapered candles, two twisted candles and 6 celebration candles.

Hand wrapped in our Floral Trail wallpaper, Mary and Nicole love to use our Candle Bouquets as the essential finishing touch to an interior scheme or as a witty alternative to a bunch of flowers when gifting to friends and family.

To keep your candles looking their most beautiful we recommend trimming your wick between burns to 10mm, and position away from sunlight or any direct sources of heat.
