SALVESEN GRAHAM CANDLE

SGCANDLE

\$76.00

This scented candle contained within an amber coloured glass vessel is hand poured and made from Vegan Soy Wax. Essential Oils create the scent of English Rose & Berry which Mary & Nicole feel is evocative of New English Style. With notes of Rowenberry, apple and base notes of amber & moss. Pairs perfectly with the Extra Long Matches and makes a desirable gift for a host.

The candle comes beautifully packaged in a Floral Trail box and the glass vessel which features a flower from the Floral Trail design and is made in England, would have many uses long after the candle has finished.
