

SALVESEN GRAHAM CHAIR

SGDSCH
From $4,792.00

Taking inspiration from the simplicity of Georgian design, our Salvesen Graham Chair features elegant proportions with a sensitivity to design history.

Mary and Nicole wanted to design a chair that was compact but still retaining its elegance; perfect for a London home as well as a country house.

Made by craftspeople in England, each chair is made to order in a choice of Salvesen Graham fabrics or customers own material, skirts lengths or an elegant piped edge, and a curation of leg paint colours and timeless wood finishes to coordinate with our Salvesen Graham fabrics.

We use a solid beech frame for strength and durability and a feather filled seat cushion for optimum comfort. Slim rounded arms and tapered legs creates a beautiful shape to the chair, ensuring versatility allowing it to suit both a living space or bedroom situation. Our Salvesen Graham chair is designed to be classical and timeless so that it can be enjoyed for many years to come.
