

SALVESEN GRAHAM WINDOW SEAT

SGDSWS
From $3,010.00

Taking inspiration from the simplicity of Georgian design, our Salvesen Graham Great Check Window Seat features elegant proportions with a sensitivity to design history.

Mary and Nicole designed the Salvesen Graham Window Seat to create a wonderful place to sit in a house with larger windows, or at the end of a bed in a town house where there is more limited space and a sofa is not suitable.

Made by craftspeople in England, each window seat is made to order in our soft linen Great Check Fabric in Rose with a short pleated skirt, mahogany finished legs and brass castors. Should you wish to customise your window seat with other fabric, skirt, and leg options please see our Salvesen Graham Window Seat.

We use a solid beech frame for strength and durability and a feather filled seat cushion for optimum comfort. Slim rounded arms and tapered legs creates a beautiful shape to the window seat, ensuring versatility allowing it to suit both a living space or bedroom situation. Our Salvesen Graham Great Check Window Seat is designed to be classical and timeless so that it can be enjoyed for many years to come.
