

WOVEN PLAIN DUCK EGG

SGWFABPLDE
$284.00

Our plain wovens range comprise of a sophisticated palette of nine complementary colours. The range is unified with a soft golden tone to the ground that sits well with antique furniture. The hint of strie adds a subtle texture and makes tailored spaces feel more layered.

Mary & Nicole have created a collection of go-to woven plains in colours that they are always looking for in their own projects. It is important to them that the woven plains have a natural composition as well as a premium handle and weight, ensuring they are incredibly usable as both upholstery and drapery throughout the home. All the fabrics in our wovens collection are made in the UK, to the OEKO-TEX STeP standard which certifies the manufacturing process for environmentally friendly and socially responsible production facilities.
